CHARTWISE MEDICAL SYSTEMS WELCOMES NEW SALES MANAGERS

WAKEFIELD, R.I. - May 3, 2011 - ChartWise Medical Systems, Inc.

(www.chartwisemed.com), the medical software firm and developer of ChartWise:CDI and ChartWise:CDI Personal Edition, is pleased to announce the appointment of two new sales managers, Michael Jackson and Glen Walker.

Walker and Jackson each have more than 25 years of sales, marketing and management experience in Healthcare IT, and will be responsible for direct sales in the U.S. market. Jackson previously served with Stuart Pharmaceuticals, GE Medical Systems and Agfa Healthcare's cardiovascular division. Walker previously served as the senior marketing manager at Agfa Healthcare, and as the cardiovascular sales specialist at Fuji Medical Systems.

"The expansion of our sales team further strengthens our ability to meet the needs of our customers," said the founder of ChartWise Medical Systems, Dr. Jon Elion. "The new sales managers will be a great addition to the team, bringing tremendous experience, industry knowledge and customer focus. While working alongside Michael Backus, our Director of Sales, they will be a remarkable resource for our new customers."

Jackson has earned a Bachelor's degree from the University of Dayton and is a resident of Cincinnati, Ohio. Walker is a member of the Make-A-Wish Foundation and the American Heart Association and is involved in the local community.

About ChartWise

ChartWise Medical Systems, Inc. based in Wakefield, RI, is a medical software firm and the developers of ChartWise:CDI and ChartWise:CDI Personal Edition, a hosted solution for clinical documentation improvement. ChartWise:CDI's clinical intelligence expertise assists physicians and clinical documentation specialists with increased efficiencies and completeness of documentation, queries and work flow. Developed by renowned physician, Jon Elion, M.D., ChartWise:CDI is the only documentation software that translates clinical language used by physicians into accurate diagnostic language required for Medicare documentation.
